March 2025

Dear Faith Church,

It almost seems hard to believe that March is beginning. March is a busy month with many changes. The good news is that the days are getting longer and daylight saving time will begin on the 9th. March madness will be beginning. I think this also means we will be getting closer to opening day for baseball too.

Now, on the worship side of things, Ash Wednesday is on March 5th and we will be having our service of the imposition of ashes and Holy Communion. This year the Lenten preaching series will be looking at Jesus' last words from the cross. That will begin on March 9th and end on Palm Sunday, April 13th. There will not be a Lenten study this year. On Easter Sunday, we will then begin a new series looking at the life of Peter.

See you in church,

Pastor Tim

## Temptation

Genesis 2:15-17; 3:1-7

Imagine that your mother has placed two bowls out on the table. One bowl is filled with beautiful fruit like this one. (Show the bowl of fruit.) This bowl is filled with lovely fruit like apples, oranges, grapes, and bananas. The other bowl is filled with chocolate candy. (Show the bowl of candy.) Yum, Yum! Look at all those goodies! After setting the bowls on the table, your mother says, "You can eat anything from the fruit bowl. Those things are good for you and will help you to build a strong, healthy body. But from the bowl of candy, you must not eat anything. Candy is not good for you and will surely make you fat and give you cavities in your teeth."

I'm sure that you probably know that the surest way to get someone to do something is to tell them they can't do it. It has been that way since the beginning of time. In fact, that is what our Bible lesson is about today.

In the beginning, after God had created everything, He placed Adam and Eve in the Garden of Eden to take care of it. He said to them, "You are free to eat from any tree in the garden; but you must not eat from the tree of the knowledge of good and evil, for when you eat from it you will surely die."

The serpent was very clever, more clever than any of the animals that God had made. He slithered up to Eve one day and said to her, "I understand that God told you that you could eat from any tree in the garden. Is that true?"

"No, not all of the trees," Eve replied. "We can eat from all of the trees except the one in the middle of the garden. God told us that if we ate from that tree, we would die."

The serpent said to Eve, "You won't die! God knows that the very moment you eat from that tree you will be just like God. You will know everything — even what is good and what is evil."

You know what Eve did, don't you? That's right! She ate some of the fruit from the tree that God had told them not to touch. She thought it was good, so she gave some to Adam and he ate it too. At that very moment, their eyes were opened and they realized that they were naked and they were ashamed. So they sewed some fig leaves together to cover themselves.

So, that is the story of how Adam and Eve were tricked by a sneaky snake. I'm sure you know the rest of the story. God banished them from the garden and they suffered for their disobedience for the rest of their lives. You and I face temptation every day, but God wants what is best for us. He will help us to resist that temptation if we will read the Bible and do what it tells us to do.

Father, help us to follow your teaching and do what your Word tells us to do. We know that we will sometimes fail, so we ask you to forgive us and set us on the right path. In Jesus' name we pray. Amen.

## Help for the Homeless Hygiene Drive 2025

We are collecting NEW hygiene and cleaning items for local Fox Cities and New London crisis agencies through 91.9FM The Family Radio's [Help for the Homeless Hygiene Drive](#) from Feb. 23 through March 16.

Please place your donations in the *Help for the Homeless* collection box located **in the Narthex and by the church office**, by March 16, or make a secure [financial donation](#) for the purchase of supplies that will stay in our community.

The Family Radio Network, Inc. partners with area homeless and crisis programs throughout their listening areas by inviting participating communities to donate hygiene and cleaning products. These products make it possible for the agencies to dedicate their limited financial resources to provide qualified personnel, education, counseling, safe housing, and nutritious food to those they serve. [Hygiene and cleaning products are not covered by Wisconsin FoodShare \(food stamps / SNAP\)](#). Some of the most urgently needed items are bathroom tissue, cleaning supplies, dental care, deodorant, diapers/ baby care, face/bath soap, feminine care, hair care, laundry detergent, paper towels, razors, and trash bags. **Your donations will remain in this community**. Thank you! More information available at [thefamily.net](http://thefamily.net) or 800-236-9364.

### A few stories to share:

Access to toiletries and hygiene products isn't just about meeting basic needs; it also provides a sense of dignity, personal worth, and confidence to families. **This drive directly supports their well-being, providing the foundation for a stronger, healthier community.** - Community Advocate, Homeless Shelter.

Each item donated during the hygiene drive is not just a product; it's a lifeline that helps those in need maintain hygiene and stability. **Your generosity fosters hope and shows people in your community that they are not alone.** -Outreach Director, St. Vincent de Paul

**Children attending school, not worrying about feeling dirty, means they can hopefully put more focus into learning and just being a kid.** These graciously donated products make a world of difference in so many people's lives. – Heather Ryan, School Social Worker in the Hortonville Area School District
